Re: Beard Requirement

This is to advise that _____ has requested a letter from our Islamic Center regarding his adherence to growing his beard according to the Islamic tenets. Growing a beard for Muslim men has been established by clear evidence from the teachings of Prophet Mohammad (peace and blessings be upon him). So, if a Muslim man chooses to grow his beard based on his devotion to his Islamic faith, then he should be afforded the opportunity to exercise this tenet of his religion. Should you have any question please do not hesitate to contact our center.

Sincerely,

Waleed Basyouni, PhD
